

## MAYWUFA COMPANY LTD. Report on the implementation of corporate social responsibility in fiscal year 2024

Item	Execution Scenarios
1	Our company's official website has established a dedicated sustainability section, disclosing the actual implementation status of various significant sustainability initiatives that the company continues to drive.
2	Our company has formulated practical guidelines for sustainable development, which are available on the official website and accessible to all colleagues within the company through a network-attached storage system (NAS). We have also enhanced relevant preventive measures and conducted educational outreach.
3	Our company's official website has established an employee complaint section, allowing employees to have the right and channel to access information and express their opinions regarding the company's business management activities and decisions.
4	Our company's official website has established a customer complaint section, providing consumers with a transparent and effective consumer complaint process for our products and services. This ensures fair and timely handling of consumer complaints.
5	Our company practices waste sorting on a regular basis, and at the end of each year, we carry out recycling and reutilization of paper materials by sending them to paper mills for processing.
6	Our company's Yangmei factory is equipped with certified wastewater treatment facilities, ensuring the prevention of water resource pollution.
7	Our company has signed labor contracts with all employees, and the terms of these contracts comply with the relevant laws and regulations pertaining to human rights, gender equality, labor rights, and benefits.
8	Our company has obtained relevant certifications such as ISO, cGMP, and GDP, and follows the domestic regulations set by the Ministry of Health and Welfare concerning pharmaceutical production.
9	Our company has established guidelines for personal data protection management and adheres to relevant regulations such as the Personal Data Protection Act. We are committed to respecting consumers' privacy rights and safeguarding the personal data they provide.
